Directions

For those without a mobile phone or other device, here are the road directions for this route:

- Starting at the café, follow the loop road in the same direction as the traffic, joining the footpath on the left as the loop junction meets.
- Follow the coastal footpath until you reach La Grande Maison slip. Joining the road, follow La Route de Ste Catherine towards St Catherine's Lifeboat Station.
- Go onto the road near the lifeboat station, taking a right up Rue du Moulin, then shortly veering left onto the footpath. Take a left again and follow the path which joins onto Rue des Charrieres. Take a right, continuing on Rue des Charrieres.
- Continue until you come across a lane on the right – Rue du Pavillion – and continue along this lane, veering left as the road ascends into Rue des Vaux de l'Eglise.
- At the junction, take a right onto Grande Route de Rozel, then right again onto Rue de Belin. Keep left, do **not** go into Clos de la Gallierie.
- Staying on Rue de Belin, which develops into a footpath, keep left and left again at the next path junction.
- Follow the path until you come back onto La Rue des Mares, then to the junction of La Rue du Villot.
- Take a right here onto La Rue du Villot, then left onto Rue de Flicquet. Continue on this road but do not go down into Flicquet bay. Take the second path on the right on the bend, leading back onto Route de St Catherine, to the car park.
