Directions

For those without a mobile phone or other device, here are the road directions for this route:

- Exiting the car park the same way you went in, onto La Cache de l'Eglise, then turn into Rue a l'Eau and continue until the junction with Rue des Nouettes, taking a left, then a right into Fosse Buesnel.
- Take a right onto Rue de Grantez and then a left onto Chemin des Monts. Go past the greenhouse and fields with horses on the left, then you will see a row of trees and a very narrow footpath on the left. Take this footpath (before the house).
- Follow the footpath into beautiful countryside. Take care on the big steps.
- As the path appears to do a loop and you come back to the top, a gravel path develops. Continue straight through, do **not** take any of the paths to the right.
- Then take a left at a road junction which takes you back onto Rue de Grantez.
- Go right along Rue de Grantez, keeping right onto Rue du Couvent (near the mill). At the end of this lane, take a right onto Mont Mathieu, then an immediate left onto Rue de la Campagne.
- Follow this lane to the top of Mont Rossignol, then turn left onto Mont Rossignol.
- Continue on Mont Rossignol, turning left onto Rue de la Devisse, then head right on Ville de l'Eglise.
- Turn left onto Rue de la Cour, and left again into the church car park.
